

# Chatham County Health Resource Directory

Developed by the Chatham County  
Public Health Department

**2013**

Revised 5/13

## **Chatham County Health Resource Directory**

This resource guide was originally developed by the Affordable Health Care Taskforce, to help inform residents of Chatham County about local health services. The resource guide is now updated annually by the Chatham County Health Department.

The Chatham County Health Resource Directory includes a listing of health care providers that are located within Chatham County. It also includes information about specialties offered, languages in which services are provided, discounts, and about other special programs that may be offered. This guide is also available on the Chatham County Public Health Department website:  
[www.chathamnc.org/publichealth](http://www.chathamnc.org/publichealth).

### **Note to Health Care Providers:**

If your practice information changes, please contact Mike Zelek at 919-545-8466.

### **NACo Drug Discount Cards**

Chatham County is a participant in the National Association of Counties (NACo) drug discount card program to all Chatham County residents.

The card is for those who are uninsured or underinsured, but people with private insurance can also use the discount card for medications not covered by their insurance.

Discount cards can be found at local pharmacy pick-up counters, at the Health Department clinics, senior centers in Pittsboro and Siler City, county libraries and many health provider offices.
