

DOWNLOADING EBOOKS ON YOUR ANDROID: THE BASICS

- 1) First, download the OverDrive app from Google Play Store:
 - Tap “Play Store” on your screen, then tap “Apps”.
 - Tap the magnifying glass at the top right-hand side of your screen, then search for “OverDrive” in the search box.
 - You’re looking for an app with a blue background and white “O”. Click on “Install”.

- 1) Open the app by tapping on it. You’ll be prompted to sign up for an OverDrive account. Pick a sign-in option and enter the information requested. *We recommend that you use your library card to register.*

- 2) Tap the “O” in the upper left corner or swipe across your screen to add your library.
 - Tap “Add a Library”, enter zip code 27312, then tap “Search”.
 - Choose “Chatham County Public Libraries”. Tap the star next to “e-iNC Library” to save this library (if applicable), then tap the words “e-iNC Library” to be taken to our site.

- 3) You should now see the mobile site for the e-iNC Library.
 - Log in using the “Sign In” button (centered at top of the page).
 - Select “Chatham County Public Library” from the list.
 - Enter your full barcode number (from your library card) and PIN.
 - Select “Remember my login information on this device”.
 - Tap “Sign In”.

- 4) Now you can search for books by title, subject, or author using the search bar at the top left or browse collections using the e-iNC menu (three bars at the top right).
 - When you find a title you’d like, tap “Borrow” under the title’s cover image and information.
 - **MAKE SURE TO SELECT ADOBE EPUB FORMAT.** Once you download the book, you can’t switch formats.
 - Tap “Confirm and Download”. The download will begin in the OverDrive app.
 - To get your book, tap on the main “Menu” button (the “O” in the upper left corner) and choose “Bookshelf”.
 - Tap on the cover of the book to start reading.

- 5) To get another book, go back to your bookshelf and tap “Add a book”.
