Dear Parent/Guardian:

Thank you for taking an interest in our swim lesson program. We hope the following will answer any questions you may have.

We believe that with patience, positive encouragement, and frequent repetition of skills, your child will have a happy, safe, and successful swimming experience. It is normal for a child to remain in the same level for several sessions, especially at the Pre-School level. It is not realistic to expect that a pre-school non-swimmer will “learn to swim” in one session of lessons. Each child that participates is a success. Repetition of skills is important and we encourage you to practice with your child.

To serve you better we have developed a few guidelines:

1. Most children respond better to their teacher and learn more when their parents are out of sight. Because of this, we have an area for parents to sit during lessons.
2. If after one lesson we find that your child is not ready for the swimming lessons, we will remove the child from the class roll, recommend that the child start lessons when they are older, and refund the full class fee to you.
3. If a class is canceled due to weather, it will be rescheduled at the earliest opportunity.
4. No class will be made up due to participant illness.
5. If your check is returned for insufficient funds, you will owe the amount for swim lessons and a \$30 Insufficient Funds Fee
6. Class times are not guaranteed and classes are structured by the number who sign-up and the type of lessons being requested. We must have a minimum of 3 for group lessons.
7. Parents will receive a call shortly before the requested lesson week from the swim coordinator informing them of the exact time their child's lesson will be held.
8. If only one or two students sign-up for a class the requested week we may use the option of less classes and creating semi-private lessons or private lessons instead of a group lesson.
9. Private lessons are organized according to the pool schedule and instructor availability.
10. Directions to the pool. (Located behind the Social Services bldgs. at the traffic circle on Hwy. 87)

Thank you for choosing Carolina Pool Managements' learn to swim program for your child's swimming experience. If you have any questions please feel free to approach the swim lesson coordinator or swimming instructor. Carolina Pool Management values your opinions and concerns. Please notify us with any comments.

Sincerely,

*Carolina Pool Management*
