

Chatham County, NC
Resolution Proclaiming
We Love Seniors Month, February 2008

The Chatham County Council on Aging requests public support and assistance in honoring Chatham County senior citizens.

Whereas Senior Citizens are at once the living history and the vital present of our community and deserve our respect, honor and appreciation in their daily lives. They are woven throughout the fabric of Chatham County as family members, friends, neighbors, co-workers, volunteers and caregivers, and have defined the sense of community that we all enjoy today.

They continue to fill their lifelong roles as leaders in our community and to contribute with resourcefulness, imagination and commitment for the good of the whole.

It is essential that awareness of and education about the resources available for seniors and caregivers be supported and enhanced, and that we ensure our community continues to be a place in which older people can live safely and with dignity.

Now, therefore, we, the Chatham County Board of Commissioners, to honor our older citizens, do hereby proclaim February 2008 as We Love Seniors Month in Chatham County and commend this observance to all community members.

Adopted this, the 22nd day of January, 2008.
