Planning Board Members.

My name is Randall W Howard I have lived  
in the Moncure Community close to the proposed  
campground site that the "House" Family is  
proposing. I have no objections whatsoever in  
this project site. I believe it would benefit the  
Moncure Community and Chatham County. I believe  
it would also benefit the financial needs of  
Bart House who is handicapped for his future  
needs. I have known the "House" Family for  
many years and know them to be of good  
character and know they will run an orderly  
business. I think this proposed site will not take  
away the rural character of the community. I  
ask that you support the "House" Family in this  
undertaking project in anyway possible.
