#	Name	Email	Comments
1	Barbara Runyan	runyanpack@bellsouth.net	This will be a detriment to our neighborhood and the surrounding community. I am very concerned about the traffic and u-turns on Highway 64 in front of Builders First Source and the Heritage Point/Deer Run neighborhoods. In addition, our neighborhood obtains water from underground wells - and it is not feasible to add additional wells to support a commercial enterprise.
2	Paul Welton	pwelton@mccollisters.com	Say NO to rezoning!!!!
3	Brigette Welton	bwelton@kci.com	Protect our community, our environment, and our safety! This type of facility does not add value or generate income for Chatham County. Just as important, it will have a negative impact on the area residents who will be forced to deal with no buffer, added well water worries, groundwater contaminants seeping into our ground from the run-off, and the unsightly design of having a commercial property adjacent to our community. Thanks for considering and supporting your residents.
4	Leslie Ewald	shawewald@gmail.com	I agree completely the points in the above petition. There are adequate storage facilities in the county already.
5	Douglas Ewald	doug.e.doug@gmail.com	
6	Burton and Dolores Carnegie	bdcnmi@bellsouth.net	On Saturday, September 9, 2007, we received notification of a proposal to change residential rezoning. This rezoning proposal would change zoning from RA-40 to CU-B1. Chatham Development Corporation (developer of Heritage Pointe and no longer associated with the community) proposes to erect a large boat, recreational vehicle, trailer, and other vehicle storage facility across from Heritage Pointe, on Highway 64. This facility will have open and closed bays and will probably look like the eyesore storage facilities now on the south side of Route 64 in Chatham County. To discover that the developer of Heritage Pointe proposes to construct another similar facility for their profit and gain is unconscionable. We see no reason for the Chatham County Board of Commissioners to approve another similar storage facility and provide unsightly surroundings as soon as you enter Chatham County from Wake County on Highway 64 West. We strongly object to the continual degeneration of the environment in the county and the likely impact of residential property valuation. The residents of Deer Run and Heritage Pointe purchased large

residential tracts expecting Chatham County to work toward a pleasant and beautiful residential community of homes for its citizens. We request that the Chatham County Board of Commissioners deny this rezoning request based upon the impact it places directly on the two major residential communities that lie in the immediate area entering Chatham County on Highway 64 West.

On Saturday, September 9, 2007, we received notification of a proposal to change residential rezoning. This rezoning proposal would change zoning from RA-40 to CU-B1. Chatham Development Corporation (developer of Heritage Pointe and no longer associated with the community) proposes to erect a large boat, recreational vehicle, trailer, and other vehicle storage facility across from Heritage Pointe, on Highway 64. This facility will have open and closed bays and will probably look like the eyesore storage facilities now on the south side of Route 64 in Chatham County. To discover that the developer of Heritage Pointe proposes to construct another similar facility for their profit and gain is unconscionable. We see no reason for the Chatham County Board of Commissioners to approve another similar storage facility and provide unsightly surroundings as soon as you enter Chatham County from Wake County on Highway 64 West. We strongly object to the continual degeneration of the environment in the county and the likely impact of residential property valuation. The residents of Deer Run and Heritage Pointe purchased large residential tracts expecting Chatham County to work toward a pleasant and beautiful residential community of homes for its citizens. We request that the Chatham County Board of Commissioners deny this rezoning request based upon the impact it places directly on the two major residential communities that lie in the immediate area entering Chatham County on Highway 64 West.

8 Krystn M Messer  
echowyn@bellsouth.net

Chatham County should NOT line all the major corridors into the county with unsightly storage facilities. Doing so will not attract new home development nor businesses that provide more than a handful of minimum wage jobs. Please deny the rezoning request.

9 Bob Messer  
dolfan58@bellsouth.net

10 Pete & Penny Beal  
penny.beal@bcbsnc.com

11 Eric Runyan  
runyanpack@bellsouth.net

I am concerned about the affect that this facility will have on our wells and our wells!!!

PAUL

## The petition

Country living...quiet community...peaceful settings in a pristine area

For these reasons and more, families specifically have chosen to move to Deer Run and Heritage Point. We are now faced with a large boat and RV storage and wash facility encroaching upon us. Residents are standing together and voicing our concern and disapproval against the Port Side storage facility.

Negative impacts of approving Port Side Boat & RV Storage include:

### Impact Issues

- 1) Changing the zone from RA-40 to CU-B1
  - (a) Zoning was designed to add buffers and transitions
  - (b) Devalue of homes
  - (c) Increased likelihood of security problems
  - (d) Future expansion plan & its impact
  - (e) Not an income producer for county; it only generates minimal property tax
  - (f) Surrounding businesses provide reasonable buffer zone at this time
- 2) Well & water consumption will impact the cone of depression of the water table and our wells
- 3) Impact the run-off will have on groundwater table
- 4) How will the wash off water / run-off be managed
- 5) Without proper sewer and given the size of the complex human waste is likely to occur
- 6) The quality of life impact this will have on our community
  - (a) Fencing nuisance / aesthetics
  - (b) Lighting nuisance / aesthetics
  - (c) Noise to adjacent homeowners

We respectfully request that the Chatham County Board of Commissioners deny Chatham Development Corporation's application for conditional use B-1 district from the current zoning of RA-40.

Petitioners please add your street address in the address section below.

\* A NOTE TO WHOM IT MAY CONCERN, \*

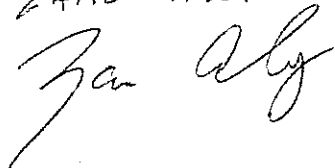

I ZANE ABERNATHY JR. AND MY WIFE ALISHA ABERNATHY  
ARE AGAINST THE PORT SIDE BOAT AND RV STORAGE.  
OUR CONCERNS ARE NUMEROUS INCLUDING;

THE WELL WATER SITUATION, THERE HAVE BEEN  
MANY WELLS RUNNING DRY IN THE AREA, AND IF  
CHATHAM COUNTY DOESN'T SUPPLY WATER TO THIS  
PROJECT IT WILL ONLY WORSEN THE SITUATION.

WE DO NOT LIKE THE IDEA OF LOSING THE  
PRIVACY OF OUR PROPERTY, WE HAVE ALOT OF  
TIME AND MONEY INVESTED IN OUR HOME.

THE ADDED LIGHTING IN THE AREA IS ALSO  
A CONCERN. I THINK THE IDEA OF THIS  
PROJECT IN THIS LOCATION SHOULD BE  
RECONSIDERED.

THANKYOU,

ZANE ABERNATHY
