MEMORANDUM

Date: 02/12/14
To: Chatham County
From: Robin S. James, CLGPO
Chatham County Purchasing Agent
Subject: Addendum No: 1
Chatham County Asbestos Removal Project

Chatham County has issued this addendum in response to two questions that have been asked.

Q 1.) How close can we get to the house?

A 1.) There will be access allowed to the house. The irrigation line is deep enough, so there will be no problems with that. The contractor will have to be caution of the spray heads though. Newland will try to have their staff mark the heads and identify the area they can access. Tracy Burnett will meet with Newland on Thursday February 20th to identify the area.

Q 2) Should the abatement contractor disposed of the first layer of aluminum siding with the ACM transite siding or leave aluminum siding on site?

A 2.) The contractor should plan to remove the siding from the site.
