Any annexation shall be reported as part of the Boundary and Annexation Survey of the United States Bureau of the Census. (1947, c. 725, s. 6; 1973, c. 426, s. 74; 1987, c. 715, s. 6, c. 879, s. 3; 1989, c. 440, s. 7; 1991, c. 586, s. 1.)

§ 160A-30. Surveys of proposed new areas.

The governing bodies of the cities and towns after five days' written notice to the owner of record or persons in possession of the premises are hereby authorized to enter upon any lands to make surveys or examinations as may be necessary in carrying out the mapping requirements of proposed annexations under any provision of Article 4A of Chapter 160A; provided, the city or town authorizing such entry shall make reimbursement for any damage resulting from such activity. (1947, c. 725, s. 7; 1973, c. 426, s. 74; 1975, c. 312.)

§ 160A-31. Annexation by petition.

(a) The governing board of any municipality may annex by ordinance any area contiguous to its boundaries upon presentation to the governing board of a petition signed by the owners of all the real property located within such area. The petition shall be signed by each owner of real property in the area and shall contain the address of each such owner.

(b) The petition shall be prepared in substantially the following form:

DATE:

To the _____ (name of governing board) of the (City or Town) of _____

1. We the undersigned owners of real property respectfully request that the area described in paragraph 2 below be annexed to the (City or Town) of _____

2. The area to be annexed is contiguous to the (City or Town) of _____ and the boundaries of such territory are as follows:

(c) Upon receipt of the petition, the municipal governing board shall cause the clerk of the municipality to investigate the sufficiency thereof and to certify the result of his investigation. Upon receipt of the certification, the municipal governing board shall fix a date for a public hearing on the question of annexation, and shall cause notice of the public hearing to be published once in a newspaper having general circulation in the municipality at least 10 days prior to the date of the public hearing; provided, if there be no such paper, the governing board shall have notices posted in three or more public places within the area to be annexed and three or more public places within the municipality.

(d) At the public hearing all persons owning property in the area to be annexed who allege an error in the petition shall be given an opportunity to be heard, as well as residents of the municipality who question the necessity for annexation. The governing board shall then determine whether the petition meets the requirements of this section. Upon a finding that the petition meets the requirements of this section, the governing board shall have authority to pass an ordinance annexing the territory described in the petition. The governing board shall have authority to make the annexing ordinance effective immediately or on any specified date within six months from the date of passage of the ordinance.

(e) From and after the effective date of the annexation ordinance, the territory and its citizens and property shall be subject to all debts, laws, ordinances and regulations in force in such municipality and shall be entitled to the same privileges and benefits as other parts of such municipality. Real and personal property in the newly annexed territory on the January 1 immediately preceding the beginning of the fiscal year in which the annexation becomes effective is subject to municipal taxes as provided in G.S. 160A-58.10. If the effective date of annexation falls between June 1 and June 30, and the effective date of the privilege license tax ordinance of the annexing municipality is June 1, then businesses in the area to be annexed shall be liable for taxes imposed in such ordinance from and after the effective date of annexation.

(f) For purposes of this section, an area shall be deemed "contiguous" if, at the time the petition is submitted, such area either abuts directly on the municipal boundary or is separated from the municipal boundary by a street or street right-of-way, a creek or river, or the right-of-way of a railroad or other public service corporation, lands owned by the municipality or some other political subdivision, or lands owned by the State of North Carolina. In describing the area to be annexed in the annexation ordinance, the municipal governing board may include within the description any territory described in this subsection which separates the municipal boundary from the area petitioning for annexation.

(g) The governing board may initiate annexation of contiguous property owned by the municipality by adopting a resolution stating its intent to annex the property, in lieu of filing a petition. The resolution shall contain an adequate description of the property, state that the property is contiguous to the municipal boundaries and fix a date for a public hearing on the question of annexation. Notice of the public hearing shall be published as provided in subsection (c) of this section. The governing board may hold

the public hearing and adopt the annexation ordinance as provided in subsection (d) of this section.

(h) A city council which receives a petition for annexation under this section may by ordinance require that the petitioners file a signed statement declaring whether or not vested rights with respect to the properties subject to the petition have been established under G.S. 160A-385.1 or G.S. 153A-344.1. If the statement declares that such rights have been established, the city may require petitioners to provide proof of such rights. A statement which declares that no vested rights have been established under G.S. 160A-385.1 or G.S. 153A-344.1 shall be binding on the landowner and any such vested right shall be terminated. (1947, c. 725, s. 8; 1959, c. 713; 1973, c. 426, s. 74; 1975, c. 576, s. 2; 1977, c. 517, s. 4; 1987, c. 562, s. 1; 1989 (Reg. Sess., 1990), c. 996, s. 3.)

§ 160A-31.1. Assumption of debt.

(a) If the city has annexed under this Part any area which is served by a rural fire department and which is in:

- (1) An insurance district defined under G.S. 153A-233;
- (2) A rural fire protection district under Article 3A of Chapter 69 of the General Statutes; or
- (3) A fire service district under Article 16 of Chapter 153A of the General Statutes,

then beginning with the effective date of annexation the city shall pay annually a proportionate share of any payments due on any debt (including principal and interest) relating to facilities or equipment of the rural fire department, if the debt was existing at the time of submission of the petition for annexation to the city under this Part. The rural fire department shall make available to the city not later than 30 days following a written request from the city, information concerning such debt. The rural fire department forfeits its rights under this section if it fails to make a good faith response within 45 days following receipt of the written request for information from the city, provided that the city's written request so states by specific reference to this section.

(b) The annual payments from the city to the rural fire department on such shared debt service shall be calculated as follows:

- (1) The rural fire department shall certify to the city each year the amount that will be expended for debt service subject to be shared by the city as provided by subsection (a) of this section; and
- (2) The amount determined under subdivision (1) of this subsection shall be multiplied by the percentage determined by dividing the assessed valuation of the area of the district annexed by the assessed valuation of the entire district, each such valuation to be fixed as of the date the annexation ordinance becomes effective.

(c) This section does not apply in any year as to any annexed area(s) for which the payment calculated under this section as to all annexation ordinances adopted under this Part by a city during a particular calendar year does not exceed one hundred dollars (\$100.00).

(d) The city and rural fire department shall jointly present a payment schedule to the Local Government Commission for approval and no payment may be made until such schedule is approved. The Local Government Commission shall approve a payment schedule agreed upon between the city and the rural fire department in cases where the assessed valuation of the district may not readily be determined, if there is a reasonable basis for the agreement. (1989, c. 598, s. 2.)
