Project Name: Briar Chapel – Phase 13 Sections 1 and 2

The Chatham County Stormwater Administrator has reviewed the stormwater plans and calculations dated July 27, 2017 for the Briar Chapel – Phase 13 Sections 1 and 2 project pursuant to the Chatham County Compact Communities Ordinance and finds the plans acceptable. This project has previously been approved by NC DEQ.

If the approved plans are changed or modified in any way, a revised plan set and associated calculations shall be submitted to Chatham County for approval of the changes prior to construction.

The Chatham County Environmental Quality Department shall be notified once the stormwater system and Stormwater Control Measures have been installed per the approved plan. Designer certifications shall be provided along with as-built surveys for the SCMs when the project is complete.

If you have any questions, please do not hesitate to contact me directly.

Sincerely,

Brian Burkhardt, PE
Environmental Quality Director
