WATER SERVICE AVAILABILITY

Date:

Chatham County Utilities & Water Division has examined the following property and has made the determinations as checked below:

Parcel ID: _____

Owner of Record: _____

Street Address: _____

- Property has water service available from an existing County-owned waterline with simple service connection.
- Based on proposed development plans, the developer would be required to extend an existing County-owned waterline to this property.
- County water service is not currently available to this property and the property is too far from an existing County-owned waterline to require extension.

Signed: _____
